### **Charbone Hydrogen Announces OTCQB Venture Market Listing**

**Brossard, Québec, February 1, 2023** – Charbone Hydrogen Corporation (TSXV:CH) (OTCQB: CHHYF) (FWB: K47) (“**Charbone**” or the “**Company**”) is pleased to announce that it has successfully listed its common shares on the OTCQB Venture Market (“OTCQB”). The listing has been approved by OTC Markets Group Inc., and the Company’s common shares commenced trading on the OTCQB effective on Thursday, January 26, 2023. Charbone’s common shares trade under the symbol “CHHYF”. According to OTC Markets Group Inc., the OTCQB offers investors transparent, high-quality trading in entrepreneurial and development stage companies which provides investors with improved market visibility to enhance trading liquidity. OTCQB is recognized as an established public market by the U.S. Securities and Exchange Commission. To be eligible for trading on the OTCQB, companies must be current in their reporting with the U.S. Securities and Exchange Commission, maintain audited financials through a Public Company Accounting Oversight Board (PCAOB) registered firm, and undergo an annual verification and management certification process.

“We believe this listing on the OTCQB will position the Company to achieve greater exposure to a broader investor base,” stated Dave B. Gagnon, CEO of Charbone. “This is a very positive milestone and achievement for the Company and our shareholders.”

#### **About Charbone**

Charbone is a Canadian green hydrogen group established in North America. The company's strategy is to develop modular and expandable hydrogen facilities and regional hubs. With the acquisition of hydroelectric power plants in the United States and Canada, Charbone will be able to produce green dihydrogen molecules using reliable and sustainable energy in order to distinguish itself as a supplier of an ecological solution for industrial and commercial companies.
